Dear Child Care Provider,

This letter is in regards to the 2-13-15 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- ☐ 110.5(1)a Numbers for police, fire, ambulance, poison information posted by phone. *(make visible)*
- ☐ 110.5(1)a Numbers for each child's parent, physician, and a responsible person are accessible by the phone. *(make visible)*
- ☐ 110.5(1)e All accessible electrical outlets are safely capped. *(living room)*
- ☐ 110.5(1)j The plans shall clearly map building evacuation routes in case of fire, a safe place indoors in case of tornado, and flood shelter areas. *(write out flood plan)*
- ☐ 110.5(1)o Nonsmoking signs posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone # for reporting complaints, and www.iowasmokefreeair.gov. *(post at 2nd exit)*
- ☐ 110.5(2)b Certification by an approved trainer/organization in infant and child first-aid that includes mouth-to-mouth resuscitation. Certification will be maintained throughout period of registration. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR. *(need certificate on file)*
- ☐ 110.5(8)c A signed medical consent from the parent authorizing emergency treatment.
- ☐ 110.5(8)d For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when

necessary. The date of the exam is not more than 12 months before the child's first day of attendance.

☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration.

Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.

☐ Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed.

Please do not hesitate to contact me at DHS at 641-421-1219 if you have any questions regarding this letter.

Sincerely,
